Powder coated 3mm mild steel
H: 62cm x W: 48cm x D:28cm
Edition 1/3

An abstract sculpture composed of several overlapping, organic shapes in various shades of pink and purple. The shapes are smooth and curved, creating a sense of depth and movement. The largest shape is a dark purple, almost black, form with a large circular cutout. Other shapes in lighter pinks and purples are layered behind and around it, some with smaller cutouts or openings. The overall composition is dynamic and sculptural.
